About Us

The Company is completely independent and one of the most reputed, leading and reliable shipping agencies in United Arab Emirates. It is primarily aimed to provide pure and complete ship agency services to ship owners, charterers and managers with high quality of service and expertise attuned to the reality which we live and work.

With our strategic office locations close to the commercial ports and its terminals throughout United Arab Emirates, we are able to respond quickly and effectively to issues involving your crew and your cargo. Our offices are just minutes to go from port main gates and close to the office of Port Authorities.

The Company managed by an experienced team of qualified, d-dicated shipping professionals and equipped with the latest information technology, is able to work around the clock to ensure that operations run smoothly at all ports in U .A. E.

We are partners with you, Looking after shipping interests every minute of the day and actively focused in bringing innovative and cost effective to your operations.

Strength

Close proximity of our offices to the ports enables us to have a permanent and timely connections with whole infrastructure of the ports and authorities

A team of knowledgeable personnel coordinates the arrival and departure of your vessel personally overseeing the operations on a 24 / 7 basis. Such an approach is consistent with our assurance that we are totally committed to customer care.

Our team of professionals are capable of handling all types of vessels:

- ✔ Tankers General
- ✔ Dry bulkers
- ✔ Ro-Ro Carriers
- ✔ Passenger Boats
- ✔ Oil Platforms
- ✔ Salvage Tugs
- ✔ Military vessels
